Episode #43:

- A Chill in the Air

Scripts:

Ash, Ty, and their friends walk down the road leading into Mahogany Town

Ash: **Smile** We're here, everyone. Mahogany Town!

Ty: **Smile** All right, finally!

Teddiursa: **Excited** Teddiursa!

Narrator: After a long journey to the road, Ash and his companions have reached Mahogany Town, where Ty is awaiting for his next gym badge for determination.

Avery: It's such a beautiful town. Everything looks so different with the cold weather.

Lillie: The air is really chilly.

Snowy: Vulpix!

Dawn: It's perfect weather for Ice-type Pokémon.

Max: And I can feel the air cold. We could've brought our sweaters with us.

Jonah: Yeah. Even though it didn't snow here today.

Ash: It does, but only in winters.

Sarah: **Smile** I want to see some snow here when it comes out.

May: I'm sure it will.
The gang made it to Mahogany Town after arrival

Pikachu: Pika.

Ash: I guess you need to rest too.

Pikachu: Pika.

Sakura: First things first is we should heal our Pokémon before Ty's gym battle.

Ty: Good idea. They deserve a proper rest.

Teddiursa: Teddiursa.

Raye: We should head to the Pokémon center now.

Ash: All right then.
As the gang entered the pokemon center, Plumeria, Tupp, Zipp, Rapp, and Yuho quietly watch the group behind the nearby building

Zipp: So the twerps finally made it to this town.

Rapp: Looks like they're taking it easy.

Yuho: This'll be a perfect chance to ruin their day.

Tupp: Heh-heh...I'll be enjoying watching them cry when we defeat them.

Rapp: Right after we steal their favorite Pokémon they have.

Plumeria: Let's keep following them without drawing their attention, and noticing us yet.

Rapp: You got it, boss.
Plumeria grunts quietly slip through the streets, staying out of sight

Jonah (Narrator): A Chill in the Air!
At the Pokémon Center Cafeteria, Ash and the others sit together in the Pokémon Center cafeteria while waiting for their Pokémon to recover

Ty: **Taking a bite** Yes. Now that's what I call a meal when I'm hungry.

Jonah: This is exactly what you needed after all that traveling.

Ty: I could eat another bowl if you ask me.

Sakura: **Smile** You always say that.

Ty: **Smile** Hehehe. It's true!
Ty takes another bite of the plate of food as the gang chats

Raye: After we eat lunch, maybe we can walk around town a little, I want to know about this place.

Lillie: I'd like that. Exploring this place will be a good time. Right before Ty's match.

Ty: I agree with you while I eat.

Teddiursa: Teddiursa

Dawn: But you're not nervous about your gym battle?

Ty: Well, a little bit. But after everything we've been through, I feel ready when I meet him in person.

Max: You've been training so hard since you started your journey. And you refuse to stop.

Togepi: Togepi.

Ty: I earned this opportunity. I made good progress on this.

Ash: Yeah. You'll do your best.
While they enjoyed their time, Ash remembers his time by visiting Mahogany Town

Ash: And I remember coming here for my gym battle with Pryce.

Sarah: You've been to Mahogany Town before, haven't you?

Ash: Yeah. During my adventure.

May: Was that when you challenged the Mahogany Gym?

Ash: Yes. Back then, I was traveling through Johto with Misty and Brock, they were my companions from before.

Dawn: You must have a lot of memories from that trip, since I remember Brock.

Raye: Did anything unusual happen around here?

Ash: Actually, it was before my gym battle.

Flashback
Ash explains about his past at the Lake of Rage

Ash: Not far from here is a place called the Lake of Rage. When my friends and I visited it, we encountered a red Gyarados. It was aggressive and tried to attack us. It was attacking everything around it. We'd never seen a Gyarados like that before.

End of Flashback

Sarah: Do you know why it was acting that way?

Ash: We eventually found out...but I'd rather not get into that story right now.

Sarah: Oh. I'm sorry.

Ash: It's okay though.

Sakura: At least everything turned out all right in the end.

Ash: Yeah, it did.

Ty: So what happened to the red Gyarados afterward?

Ash: It was caught successfully. It was Lance who stopped Gyarados.

Max: The current champ? He caught that red Gyarados?

Ash: He did. He made an incredible move.

Pikachu: Pika Pika.

Ty: Awesome. No wonder it's so famous.

Raye: I'd love to see it someday.

Lillie: It must be incredibly strong now.

Ash: It definitely is. Lance has always taken good care of his Pokémon.

Pikachu: Pika!

May: Sounds like Mahogany Town has quite a history.

Ash: It really does.

Max: And I was thinking if we could go visit that place that Ash mentioned.

May: It's probably a bad idea, it could be dangerous that Ash mentioned.

Ash: Hey, it's all right. I'll respect your opinion if you guys don't want to.

Dawn: Maybe next time.
Nurse Joy approached the gang about the news

Nurse Joy: Pardon me you all. Your pokemons are fully healed.

Jonah: That's the news that we want to hear.

Ash: Let's finish our meal and get our pokemons.
After their lunch break and getting their pokemons back, they left the pokemon center back outside

Ty: **Hyped up** Ahh, finally. Now that we're eating our appetizers, I'm ready to face Pryce any minute.

Ash: **Smile** Try not to be in a rush, okay?

Ty: Don't worry about me, Ash. My dream is important.

Teddiursa: **Excited** Ursa!

Ty: Let's go everyone l–Ooof!!

Victor: Agh!!
Suddenly, Ty accidentally bumps shoulders with Victor walking around the corner, dropping his ice cream onto the ground

Victor: Hey!

Ty: Huh?

Victor: Look what you did! Wait...Ty!!

Ty: **Distrust** Victor!!

Victor: You made me drop my ice cream, loser!

Ty: Hold on! You bumped into me first!

Victor: That's not your excuse.

Ty: What?

Victor: You ruined my treat, so you have to buy me another one.

Ty: Seriously? You're blaming me for ruining your ice cream.

Victor: That's only fair.

Ty: **Mad** No way! It wasn't just my fault.

Victor: **Mocking** I don't even care. But you still owe me one.

Ty: **Mad** Well, I'm not buying you another ice cream!
The gang we're uncomfortable of these two

Ash & his friends: **Sweat drop & sigh**

Pikachu, Manaphy, & Togepi: **Sweat drop & sigh**

Sarah: *Sweat drop and sigh** Come on, can you two get along?

Lillie: **Sweat drop & sigh** Not a good thing.
Just then, Demi and Reese approach them with their ice cream flavor cones

Demi: Victor, what's going on? Is everything all right?

Raye: **Determined glare** Demi...

Demi: **Determined glare** Raye.
The two girls exchange determined glares, recalling their previous encounters

Avery: They're still competitive.

Reese: **Smiling warmly** Hi, everyone!

May: Hey, Reese! It's good to see you again.

Manaphy: Manaphy.

Reese: It's nice seeing all of you again. I hope everyone's been doing well.

Victor: Well, this loser is the one who dropped my ice cream treat when bumped me.

Ty: **Distrust** You're so unfair. You bumped into me first.

Teddiursa: Ursa.

Ty: **Distrust** Besides, you're still not getting another one from me.

Reese: Victor, it was just an accident.

Victor: Accident is not important to me.

Reese: Why don't we just forget about it? There's no reason to argue over an ice cream.

May: I agree with her. We've got more important things to focus on. It's Ty's gym battle.

Victor: So, you're here for the Mahogany Gym, aren't you?

Ty: That's right.

Victor: **Smirking** You're still working on your next badge? Well, I've already earned my seventh Gym Badge.
Victor showed Ash's team his seventh badge he'd won

Raye: You're kidding me!?

Demi: Victor won it just a few days ago.

Reese: **Distrust** He battled really well. But he's still not my favorite.

Victor: Come on now, Raye. I've got my next badge. Which means there's only one badge left before I qualify for the League.

Ty: **Unimpressed** Well, congratulations, Vic. You earned your reward. But this is not over between you and me until I get all the badges.

Victor: Try not to fall too far behind. You will lose against me in the league.

Ty: I'm not worried about that.

Victor: Really? From where I'm standing, you're moving pretty slowly compared to me.

Ty: **Angry** Aaagghh!! Tell me that I'm slow! You're the one who lost against me, I beat you all the time, slowpoke.

Victor: **Angry** Who are you calling a slowpoke!?

Ty: **Angry** You are!

Ty & Victor: **Angry & glaring**
Before either rival can respond, a young man walks toward the group, noticing the tense atmosphere

Young man: Um... is everything all right over here?

Lillie: **Smiling potentially** No. Don't worry. There's nothing to be concerned about.

Young man: Oh okay. Just have to make sure since these two friends of yours are arguing.

Demi: **Unimpressed** They're just having a rivalry competition to see who's the best trainer.

Ash: You're from this town?

Patton: Yep. I'm from here. My name's Patton. It's nice to meet all of you.

Ash: My name's Ash Ketchum. And this my buddy, Pikachu

Pikachu: Pika Pika.

Ash: And that's my friends here.
Patton suddenly looks at Ash with surprise

Patton: Wait a second…You're Ash Ketchum? The trainer who won the tournament of Masters Eight?

Ash: **Smile** That's me all right.

Patton: **Amazed** No way! It was an incredible achievement. Trainers all over the world have been talking about your victory. I saw it too.

Ash: Thanks. I really appreciate that.

Victor: Hmph. If you ask me, he should retire now that he's reached the top.

Ash: **Annoyed**

May: Seriously? That's a little harsh.

Reese: Come on, Victor. He's still traveling since he became the true champion. Ash earned that title through hard work and determination. Whether he keeps battling or not is his decision. Try to show some respect instead of mocking things.

Ash: Thanks, Reese.

Victor: **Bored** Yeah, thanks for the tip of advice, but I'd rather compete on my goal instead of listening to losers like them.

Ash & Reese: **Sigh**

Patton: He's kind of annoying.

Victor. Don't even say it.

Ty: Just ignore him, okay. This guy is really not my type.

Teddiursa: **Agreed** Ursa.
Manaphy happily floats over to Reese

Manaphy: Mana.

Reese: **Smile & patting Manaphy's head** Oh, hello there, Manaphy. Nice to see you again.

Manaphy: Mana, mana!

Reese: Would you like to share a little of my ice cream?

Manaphy: Mana!
Manaphy happily takes a small lick

Manaphy: **Smiled** Manaphy.

Reese: **Chuckling** Glad that you liked it.

Demi: Reese! He shouldn't be eating your ice cream. It's for us.

May: A tiny taste is all right, I have no problem with it.

Manaphy: Mana!

May: He's enjoying himself.

Demi: Whatever.

Sakura: How about everyone getting some ice cream?

Dawn: Yeah, that should keep me entertained for this.

Ash: I'm up for it.

Pikachu: Pika.

Ty: This is turning into a pretty nice break. Let's go grab for everyone.
Just as Ty starts walking forward, Victor steps in front of him, blocking his path

Victor: Not so fast, Ty. You're not getting your flavor until you buy me a new one.

Ty: Like I said, it was an accident. I'm not replacing it for you.

Victor: Sorry, but you're still buying it for me.

Lillie: Let's just get for everyone like he said.

Victor: Hmph.

Outside the ice cream shop in Mahogany Town. Ash's group, along with Victor, Demi, Reese, and Patton, sit together enjoying their ice cream

Patton: So, are you ready to take on Pryce in the gym battle?

Ty: **Smiling confidently** I am. I've been training hard since I started my journey, and I'm going to give it everything I've got.

Jonah: He's been preparing ever since we left Ecruteak City.

Patton: That's cool. I'm sure you'll win your gym battle, it can be difficult sometimes.

Sarah: It could be, but my cousin gave everything he had without giving up.

Ty: She's right. I have more skills to battle.

Patton: That's great to hear. I'm looking forward to seeing your battle.

Ty: Thanks.

Patton: What about you, Ash? What's your next plan since you're now the true champion?

Ash: There are still so many Pokémon and places I want to see, and other regions that I have never been. Once Ty reaches his goal, I'm planning to keep traveling again.

Ty: There are always new adventures waiting.

Ash: Yeah. No matter how much you've accomplished, there's always something new to learn.

Patton: **Smiling** I can see why so many trainers look up to you.

Pikachu: Pika!

Reese: I think that's a wonderful way to live. Always moving forward.

Victor: **Unimpressed** Heh... never standing still.

Demi: At least he's consistent.

Reese: He's making more progress since he started his journey again.
A short distance away, hidden among nearby buildings, Tupp and Rapp continue searching through the streets

Tupp: Where'd they go? Those twerps should be here around.

Rapp: Keep looking. We're not wasting our time looking for them.

Tupp: Hope they didn't leave earlier.

Rapp: Wait...
Rapp suddenly spots the group gathered outside the ice cream shop

Rapp: There they are. Along with these other twerps with them.

Tupp: And they appear to be having a great time. How boring. We should report back to Plumeria.

Rapp: Yeah. And that pokemon from that girl is coming with us.
Tupp and Rapp quietly retreat into an alley to Plumeria while finished their ice cream

Max: Ahh, that ice cream is so good.

Ash: I could go for another one.

Pikachu: Pika Pika.

Togepi: Togepi.

Ty: Now we're done. Let's head to the gym building for my battle.

Demi: **Sigh** He's always excited all the time.
The group arrives in front of the Mahogany Gym. The icy building stands tall as a cold breeze sweeps across the entrance

Lillie: **Smile** So this is the Mahogany Gym.

Ash: **Smile** Yep. You're looking at it. This is where I fought here.

Pikachu: Pikachu.

Ty: That looks cool. Hey, buddy. Are you ready to battle Pryce for our next gym badge?

Teddiursa: **Excited** Teddiursa.

Ty: All right, buddy.
Before Ty can reach the doors, Victor folds his arms with a confident smirk

Victor: Don't expect it to be easy on him.

Ty: Huh?

Victor: Pryce isn't like the Gym Leaders you've already faced. His experience alone is enough to overwhelm trainers who aren't prepared.

Demi: He's right. Pryce's known for staying calm no matter what happens. He'll definitely test your patience as much as your battling skills.

Victor: Personally, I think you're going to have a very difficult time. It wouldn't surprise me if you walk out without a badge.

Raye: Hey, your opinion is none of your business. He made a lot of good efforts in winning and practicing.

Sarah: Yes. My cousin can't lose anything to his true goal. I don't like that you trash talk to him.

Victor: Hmph! Is that so?

Ty: I've trained this, and I won't give up for nothing. So why don't you zip it and let me focus on my goal.

Victor: **Unimpressed** Tsk. Fine then, do it your own way.

Dawn: Just ignore him.. He's just wasting your time.

Ty: Sure. Let's head inside–

Plumeria: Going somewhere, twerps?

Ash & his friends: **Surprised**

Victor, Demi, Reese & Patton: **Surprised**

Pikachu, Teddiursa, Manaphy & Togepi: **Surprised**

Just as Ty reaches for the Mahogany Gym doors, Plumeria, and her grunts step into the street, blocking the entrance

Yuho: Yo, there!

May: **Mad** You've got to be kidding me!

Manaphy: **Scared**

Patton: Who are there guys?

Lillie: It's Team Skull. A group of gang members that steals other pokemons.

Patton: You mean there the bad guys?

Ash: Definitely.

Plumeria: **Evil smirk** Hope you're ready for another surprise! We've been waiting for this moment!

Ty: **Mad** We don't have to deal with you right now!

Teddiursa: **Mad** Teddiursa!

Max: Ty has some business right now! Can't you leave us alone for one day?

Plumeria: You shut your mouth, kid!

Yuho: Yeah, kid! You don't want to mess with our leader here!

Victor: **Unimpressed** Seriously? They're so persistent when we encounter them before.

Jonah: That's why you've helped us.

Victor: Do I need to answer your question?

Ash: **Mad**

Plumeria: Look, we're just here to have a little fun with you. Why don't you ask your friend to skip his business here and have a battle with us?

Ty: **Mad & serious** Thanks, but no thanks! We don't take offers like you guys!

Teddiursa: **Mad** Ursa!

Raye: If you guys want trouble, go find somewhere else!

Plumeria: **Evil smirk** Oh really? I guess I will find out right now. Yuho.

Yuho: **Evil smirk** With pleasure. Victreebel, go!

Victreebel: Victree!!

Ash & everyone: **Surprised**

Yuho: Now, Victreebel, grab that pokemon with Vine Whip!

Victreebel: Victreeee!
Victreebel's vines suddenly grabs Manaphy in front of Ash's group, shocked

Manaphy: **Scared** Mana!!

May: **Shocked** Manaphy!
Manaphy was held hostage by Team Skull

Plumeria, & Tupp's gang: **Evil chuckling**

Dawn: Manaphy!

Avery: Hand it back, you bullies!

Yuho: Nice try, but this defenseless Pokémon is going to stick around with us.

Zipp: Hehehe.

Ty: Let him go, now!

Ash: We're not letting you get away!

Pikachu: Pika!

Plumeria: Try to catch us then. Let's go!
Plumeria and her gang suddenly sprints with Manaphy held captive by leaving the town

Max: They're getting away!

Togepi: Togepi!

Sakura: We gotta stop before they escape

May: **Determined** I'm going after them!

Ash: I'll go with you!

Ty: So do I!
Before Ash, May, and Ty rescues Manaphy from Team Skull, Victor blocks Ty's way

Victor: Don't get the wrong idea.

Ty: What!?

Victor: I'm only helping because you still owe me an ice cream flavor after making me drop mine.

Ty: I don't have time to owe you one!

Reese: Come on you two, enough! Save the argument later and Manaphy needs your help. You help them too, Victor.

Victor: ...
Despite that Victor owes Ty another ice cream, he chose to help the gang by Reese's advice

Victor: **Unamused** Fine. But I'll deal with you after we're done.

Ty: Thanks, Victor.

Ash: Come on, we need to reach Manaphy!

May, Ty, & Victor: Right!

Dawn: Be careful out there!

Team Skull reaches the edge of Mahogany Town in front of the citizens, preparing to escape. Victreebel continues holding the frightened Manaphy tightly with its vines

Manaphy: **Scared** Mana.

Tupp: Victreebel's got a good grip on it!

Yuho: Oh yes. Those twerps won't catch us so fast.

Rapp: Heh! They're probably still chasing us, they're too slow.

Zipp: Once we're almost out of town, it'll be a victory for us.

Manaphy: **Scared** Mana!

Plumeria: **Mocking** Awww, what's wrong little fella, gonna cry to your mommy?

Ash: Not so fast!
Ash, Ty, May, and Victor arrived on time, blocking Team Skull's escape route

Plumeria & Tupp's gang: **Surprised**

May: Let Manaphy go!

Manaphy: **Scared** Mana!

Rapp: You guys don't ever give up!?

Ty: What do you think we are? We're not letting you go with Manaphy! He's very scared it's because of you!

Plumeria: **Mocking** Heh! We're just taking good care of him, just for entertainment.

May: **Mad** Entertaining is not helping him! You're not hurting Manaphy this time!

Ash: Calm down, May.

Tupp: Heh! These twerps are just wasting our time by escaping!

Plumeria: Doesn't matter. Let's deal with them! Salazzle, go!

Salazzle: Salazzle!

Tupp: This will be fun. Salandit, go!

Salandit: Salandit!

Rapp: Get them, Zubats!

Zipp: Yungoos, Garbodor, go!

Zubat: **Squeak**

Yungoos: Yungoos, Yungoos!

Garbodor: Garbodor!

May: Okay, Glaceon! Let's go!

Glaceon: Glaceon!

Victor: Croconaw, Snubbull, come on out!

Croconaw: Croco!

Snubbull: Snubbull!

Ty: All right, Buddy! Let's stop those grunts! Use Fury Swipes at Victreebel!

Teddiursa: Teddiursa!

Yuho: This'll be a piece of cake. Dodge now, Victreebel!

Victreebel: Victree!
Teddiursa rushes toward Victreebel, slashing with its claws, causing Victreebel to swiftly sways aside, causing Teddiursa's attack to miss

Ty: What?!

Yuho: Now, use Vine Whip!

Victreebel: Victreeee!!

Teddiursa: **Being hit**
Victreebel lashes out with its vines, striking Teddiursa, knocking backward

Ty: Teddiursa!

Teddiursa: Ursa.

Yuho: **Mocking** Hah! Easy enough!

Rapp: Now it's my turn against these twerps. Zubats!

Zubat: **Squeak**

Ash: We're not done with you! Pikachu, use Thunderbolt!

Rapp: Zubat, avoid the attack!

Zubat: **Squeak**
Rapp's Zubat trio avoided Pikachu's Thunderbolt while May's Glaceon assisted him

May: Glaceon, use Ice Beam!

Glaceon: Glaceon!

Rapp: Dodge it again, and use Air Cutter!

Zubat: **Squeak** !!

Pikachu & Glaceon: **Being hit**

Ash: Pikachu!

May: Glaceon!
Zubat swiftly weaves through the air, avoiding Glaceon's Ice Beam as Zubat's Air Cutter strikes both of them while Manaphy struggles helplessly in Victreebel's vines

Manaphy: **Struggling** Mana!

May: Manaphy!

Ty: Don't worry! We'll save him in no time!

Victor: Are you three done? Cause it's my turn now.

Ash: Try not to hurt Manaphy.

Victor: Don't tell me what to do. Croconaw, use Water Gun! Snubbull, Fire Fang!

Croconaw: Croco!

Snubbull: Snub!
Croconaw fires a stream of water while Snubbull charges forward with flaming jaws, both aiming for Victreebel

Yuho: **Mocking** Looks like they're after you.

Plumeria: They won't get this far. Salazzle! Dodge those attacks!

Salazzle: Salaa!
Salazzle nimbly leaps aside, avoiding both Water Gun and Fire Fang

Snubbull: **Surprised** Snub!?

Croconaw: **Surprised** Croc!?

Victor: What the!?

Plumeria: All right, strike them with Dragon Pulse!

Salazzle: Salaaaa!

Croconaw & Snubbull: **Being hit**
Salazzle launches a spiraling burst of draconic energy toward Croconaw and Snubbull, sending both Pokémon sliding backward

Victor: **Mad grin** Grrr!

May: Oh no!

Ty: **Serious** Come on, Victor! You should've them move quickly.

Victor: **Mad** It's my job, not yours!

Ash: Quit arguing and we gotta help Manaphy!

Plumeria: That will be enough. We've wasted enough time here with you twerps. I say we're out of here.

Tupp, Zipp, Rapp & Yuho: Yes!
Plumeria and her grunts are making their escape

Manaphy: **Scared** Mana!

May: Manaphy, no!

Ash: May!
May starts running after Team Skull to save Manaphy

May: Give Manaphy back!
Ash quickly catches up and gently grabs May's arm before she can charge into Team Skull alone

May: Ash, let me go!

Ash: It's too dangerous.

May: But Manaphy's scared! We have to help him!
May reluctantly worries for Manaphy

Plumeria: How touching. Let's make sure they don't follow us. Tupp!

Tupp: Sure thing. Salandit!

Zipp: Yungoos!

Salandit: Sala!

Yungoos: Yungoos, Yungoos!
Salandit and Yungoos leap in front of Ash's group, blocking their path

Victor: Tch! What are they doing?

Ty: They're trying to corner us!

Zipp: Let's finish this right now! Garbodor, Sludge Bomb!

Garbodor: Garbodor!

Ash: Not good!

Pikachu: Pika!
Garbodor hurls a massive ball of poisonous sludge toward the group

Manaphy: Mana!

May: Agh!

???: Dewgong, use Ice Beam!

Dewgong: Dewgoooong!
Suddenly, a brilliant beam of icy energy streaks across the battlefield, striking Garbodor's Sludge Bomb before freezing it solid. The Ice Beam continues and freezes Garbodor in a thick layer of ice

Garbodor: Garbo...?!

Zipp: **Shocked** What?!

Tupp, Rapp & Yuho: **Shocked**

Plumeria: **Shocked** Who did that?!

May: **Surprised**

Ty: **Surprised** What was that?

Ash: That's Ice Beam...which means.

???: You made your great skills, Ash.
**Everyone turns toward the source of the attack.]*
*An elderly man walks forward calmly with a Dewgong at his side, it's was Pryce**

Ash: **Happy** Pryce!

Pikachu: **Happy** Pikachu!

May: The Mahogany Gym Leader?

Ty: **Amazed** No way!

Victor: So he finally showed up.

Dawn: Guys!
Dawn and her companions alongside Demi, Reese and Patton shows up as well

Lillie: Are you guys all right?

May: Yeah, but this gym leader showed up by helping.

Ash: Hi, Pryce.

Pryce: **Smile** Nice to see you again, Ash.

Rapp: **Unamused** Great. Those twerps now have a friend to help. Hey, old man! We're in the middle of the battle between these kids!

Pryce: **Disappointed** Hmm, I see. You must be the thugs that stole that pokemon from there.

Plumeria: And how did you know that?

Raye: We told him everything, so we found you here!

Jonah: Give Manaphy back to us now or you've gone too far for this.
Plumeria looks around and realizes the heroes have surrounded them

Plumeria: Tch... looks like we're surrounded.

Tupp: Boss, I should say that we must leave!

Rapp: Fine! Let's go!
Plumeria's group makes their escape

Max: They're getting away!

Sakura: I'll handle this! Espeon, come on out, and use your Psybeam!

Espeon: Espeon! Espeon!
[Espeon's eyes glow blue before firing a shimmering Psybeam straight at the fleeing Team Skull members.]

Plumeria: **Surprised** Huh!?

Tupp, Zipp, Rapp & Yuho: **Surprised** Ehh!?

Plumeria, Tupp, Zipp, Rapp & Yuho: Aaagghh!!

Victreebel: **Being hit**
The Psybeam blasts through the group, knocking Plumeria and the grunts off, along with their Pokémons while Victreebel frees Manaphy by captive

Manaphy: **Happy** Mana!

May: Manaphy!

Manaphy happily flies into May's arms

May: **Smiling with relief** I'm so glad you're safe.

Manaphy: Mana!

Ty: Great job, Sakura.

Teddiursa: Teddiursa.

Sakura: Espeon did the hard work.

Espeon: Espeon!

Pryce: Your teamwork paid off well.
After rescuing Manaphy, Team Skull's plan failed and exposed

Plumeria: **Grimacing as she stand** You've ruined our plans again!

Ty: **Determined** And we're making sure you don't come back anytime soon. Go, Gyarados!

Gyarados: **Roaring**

Plumeria: **Surprised**

Tupp, Zipp, Rapp & Yuho: **Surprised**

Ty: Gyarados, use Hydro Pump!

Gyarados: **Roaring**

Plumeria, Tupp, Zipp, Rapp & Yuho: Aaagghh!!
Gyarados unleashes a massive Hydro Pump that crashes into Plumeria's grunts and their pokemons, launching them into the nearby water with an enormous splash

Avery: So long, you bullies!

Ash: Nice one, Ty!

Ty: Hahaha, way to go, Gyarados.

Gyarados: **Growling**

Jonah: **Amazed** You made a good concentration, Ty.

Ty: Likewise, Jonah. That's why I called it good tactical teamwork.

Teddiursa: **Happy** Teddiursa.

Ty: Hehehe, you did too, buddy.

Victor: **Smiling a bit** Heh...now that's a finisher.
The streets of Mahogany Town become peaceful once again as everyone gathers around while May comforts Manaphy

May: **Holding Manaphy** I'm so glad you're safe.

Manaphy: Manaphy.

Dawn: You guys safe the day.

Patton: **Amazed** And that battle you did was awesome. I never saw you face those bad guys, but you really improved your efforts.

Sarah: That is why my cousin here is very good at it. He never misses his opportunity.

Ty: Yeah. We couldn't have rescued Manaphy without everyone's help.

Sarah: Everyone played an important part. Nobody gave up on that.

Sakura: That's what made the difference.

Avery: Even that Team Skull never expected all of us to work together.

Reese: I'm just happy Manaphy wasn't hurt.

Demi: At least they're finally gone.

Victor: Yeah, from now at least.

Max: Let's just hope they'll stay away for a while.

Raye: Let's just forget about them, Max. They deserve defeat.

Togepi: Togepi.

Ty: But we don't have to worry about them for now.

Ash: Yeah, especially when they come back, we will win more.
Everyone smiled about except for Victor

Ash: Pryce... Thank you for stepping in when you did.

Pryce: **Smile** No need to thank me,

May: You really saved Manaphy for me.

Manaphy: Mana.

Ty: If Dewgong hadn't stopped Team Skull's attack, things could've turned out very differently.

Pryce: **Smile** There is no need to thank me. Protecting both people and Pokémon is the responsibility of every trainer.

Dewgong: Dewgong.

Pryce: However...
Pryce looks toward Ash and Pikachu

Pryce: Congratulations on your victory at the Masters Eight Tournament. You've grown into an outstanding trainer since our battle years ago.

Ash: **Smiling** Thank you, Pryce. I appreciate that.

Pikachu: **Smiling** Pika Pika.

Pryce: And these are your new companions with you?

Ash: Yes they are, and these three are new. The others were old friends of mine.

Ty: **Excitedly stepping forward** Hello, my name's Ty Masterum, and this is my buddy, Teddiursa. It's an honor to finally meet you in person!

Teddiursa: **Excited** Teddiursa!

Pryce: **Smile** Ahh, it's a pleasure to meet you as well. I understand you've come to challenge the Mahogany Gym.

Ty: I have, and I've been looking forward to it ever since I started my journey.

Teddiursa: Teddiursa.

Pryce: Very nice. Your determination is admirable. I look forward to seeing your abilities in battle.

Ty: Of course. I'll be ready to–

Victor: **Unimpressed** Can we cut this conversation for a moment?

Ty: Huh!?
Victor interrupted Ty before challenging Pryce into a gym battle

Victor: Don't expect me to start thanking everyone or making introductions. You're not going to have a gym battle with him without getting another ice cream for me that you dropped.

Ty: **Unamused** Grrr, here we go again…can you buy your own?

Victor: Not a chance of that. But you still owe me one.

Max: Hey, that's not fair. You're the reason who bumped into Ty.

Victor: I don't care about your delusional, kid.

Max: **Sigh**

Togepi: **Sigh** Toge.

Avery: **Sigh** You're such an embarrassment.

Dawn: How about we solve this another way? Let's buy ice cream for everyone.

May: Yeah, I like that idea, Dawn.

Manaphy: Manaphy.

Lillie: We could just buy both of you new ice cream.

Ty: Oh yeah, I'm in.

Teddiursa: Teddiursa

Victor: Thanks but I had one earlier, thanks to him.

Reese: I'll buy you another one.

Victor: Hmph…

Ash: That way no one's arguing over a dropped cone anymore.

Pikachu: Pika Pika.

Sakura: And everyone can move on before Ty's gym battle.

Jonah: Sounds fair to me.

Raye: That will help them end this argument for now.

Pryce: **Smile** I'll let you kids rest, and Ty, whenever you want to battle with me, I'll be waiting for you.

Ty: Sure thing, Pryce.
After Dawn and Lillie's suggestion, everyone enjoys a fresh ice cream together while Ty and Victor's earlier argument has finally settled

Max: Yes, Ice cream that I wanted.

Avery: This is much better than arguing.

Ty: Now this is a treat that will keep me calm.

Victor: **Mocking** Yeah, enjoying it, loser.

Reese: See? Isn't this much nicer?

Demi: **A bit smilie** Definitely. Looks like everyone's in a better mood now.

Manaphy: **Happy** Mana.

May: **Giggles** I'm very happy that you like it, Manaphy.

Ash: I'm glad things worked out.

Pikachu: Pikachu.
As they enjoy their flavors, Victor and his friends are leaving

Victor: Well...now that you deserve your ice cream, it's time for us to get going.

Sarah: You're leaving now?

Reese: Yep, we're heading to our next destination.

Victor: Now that I got my seventh badge, I'll be heading for my final gym before the league. And I suggest that you losers don't slow down.

Raye: Will see.

Demi: **Unimpressed** I bet you would.

Raye: **Unimpressed** Hmm.

Reese: Well, I'll see you again for you all.

Ash: Stay safe, Reese.

Dawn: Be careful during your journey.

Reese: Sure.

Victor: Come on, Reese, let's go!

Reese: All right. Bye guys.
As they were leaving, Victor made an advice for Ty

Victor: Hey Ty! Don't let your guard down against Pryce. If you want to catch up to me, you'll have to earn that badge first. Got it?

Ty: Sure thing, Victor. Once I get my badges, I'll be ready for you.

Victor: **Unimpressed but smiled** Hmph. Good answer.
Victor, Demi, and Reese wave goodbye before walking down the road toward their next destination

Narrator: Ty's determination burns brighter than ever. With his rival's words fresh in his mind, the stage is finally set for Ty's long-awaited battle against the Mahogany Gym Leader for his next challenge.
Moments later, Plumeria, Tupp, Zipp, Rapp, and Yuho arrive with Guzma, looking defeated

Plumeria: We almost had our chance, Boss. But those twerps were strong enough.

Yuho: Yeah, and they're unstoppable. We did everything we could.
Guzma lowers his head, disappointment for a moment before looking back at his team

Guzma: **Disappointed** Those kids have lost their mind, even if they've won. But don't worry.

Plumeria, Tupp, Zipp, Rapp & Yuho: Hm?

Guzma: The next time we see them again, we're going in with a better plan against them. And we will be ready.
Evil smirk
